Dear Customer,

Thank you for choosing Canton Chair Rental to provide a tent(s) for your upcoming event.

With the increase in utilities being buried under ground, the risk for personal injury and property damage becomes a major concern with tent installations. In an effort to avoid any problems or delays with your set up, we are notifying you now to make arrangements for the proper marking of these unseen utility lines.

Please read the enclosed waiver very carefully. Return the waiver to our office as soon as arrangements with the utility companies have been made. Please include U Dig Its' confirmation number (which is required) on your signed waiver.

If we do not receive this waiver and the utilities are not properly marked at the time of set up, we will not be able to install your tent. A delay in set up will incur additional charges.

We realize this may be an inconvenience and we will be happy to answer any questions and/or assist in this process.

Canton Chair Rental is committed to the safety of our employees, and your property. We appreciate your cooperation and look forward to working with you to make your event a success.

Sincerely,

Event Planner

TENT INSTALLATION WAIVER

I understand the tent installers from Canton Chair Rental will be inserting stakes (as deep as 42”) or similar equipment underground on the property known as:

Address: _____

I understand and accept the responsibility for any above or below ground damage that may occur including but not limited to, underground utilities, sprinkler systems, electrical lighting, wires, wells, septic systems, down spouts, leech beds, phone lines, cable, pool equipment, invisible fencing, overhead wires, trees/vegetation, etc.

MARKING UTILITIES:

For the safety of our workers, your property, and guests, we must have all underground utilities marked by the proper utility company. Failure to do this may result in a delay in the installation, and additional charges.

The Ohio Utilities Protection Service will survey and mark any underground utilities. Please call **1-800-362-2764** and for oil and gas 1-800-925-0988. Please call 10 days prior to the installation date, but no later than 48 hours prior. **Please request that all main and service lines be marked.*** If you are unable or prefer that Canton Chair Rental makes arrangements to have your property marked, please contact our office immediately.*

*Some charges may be incurred

Please be aware that someone will be on your property to mark the utilities and that any pets should be restrained and fenced areas will need to be made available.

Once markings have been made, do not mow your lawn where the markings are displayed before the tent has been installed.

INCLEMENT WEATHER:

Canton Chair Rental is not responsible for any damage to property or persons that may occur in connection with the installation of tents. Tents are manufactured for use as temporary structures. For the safety of all, evacuation is always recommended in threatening weather, or if there is any doubt concerning safe use of tent.

The success of your event relies on good planning!

 (330) 477-2905 Fax

*We suggest you call between ____ and ____
 Please have waiver signed with confirmation number returned to Canton Chair Rental by _____

***When calling to have utilities marked, you will be asked on “what day” the tent will be installed. We ask that you request that the utilities be marked at least 4 days prior to the event date in case the installation is done earlier than one day prior to your event. Many of our installations happen earlier in the week due to the size of the installation or the number of tents that are scheduled to be set up during a given week.**
