**LINEN**

We launder our linens in house to assure you the highest quality. Linens need to be returned free of food or debris. Table covers should be returned in linen bags supplied by Canton Chair Rental. Linen skirting should be returned on skirting hangers provided. Please be aware that wax damage from candle spillage, mildew from linens setting in plastic bags, as well as abuse will incur additional charges or replacement.  
 If you do not see a color you are in need of, please ask. We are continually adding to our inventory.

**Canton Chair Rental Linen Service:**

*Does your business own linens that you would like us to wash and press for you? Canton Chair Rental offers laundry service to area caterers, restaurants, conference centers, etc. Ask one of our consultants for pricing. Remember this is a wash and press service, not a dry cleaning service. Also we are unable to handle very delicate fabrics.*

## TENTS

If you are planning a tent event, Canton Chair Rental has the experience and the quality tenting to make your event one to remember.

We rent festive canopies as well as white "wedding quality" tents in a variety of sizes to suit your needs. No event is too large or too small for our tents.

For larger events, we offer on site planning as well as CADD (computer aided design drawings) of your tent layout.

Speak to our experienced staff to help determine what size and style tent you will need for your next special event.

If you are renting a tent that is going on grass, remember we will be driving stakes 26" - 40" into the ground. **Please be advised to call 1-800-362-2764 before you dig!** We want to be sure of any underground utilities for your safety and ours. Also, be aware of any overhead trees and utilities that may hang too low. Remember prices quoted for Century Pole, Frame and Pole tents include installation. There is also a delivery fee based on zip code.

### Canopies (customer can install):

has a center pole (except 10' x 10'); no sides; grass installation only (except 10' x 10'-drilling for stakes in asphalt or use of water barrels or cement blocks is an additional charge)
