CANTON CHAIR RENTAL SPECIAL EVENT INDUSTRY NEWS

## Relay for Life: A Time to Celebrate, Remember and Fight Back

The Relay for Life is the signature event for the American Cancer Society. It is a fun filled overnight experience designed to bring together those who have been touched by cancer. During the event people of all ages gather to celebrate cancer survivors, remember those who have been lost, and raise funds and awareness to support the American Cancer Society in its mission to eliminate cancer as a major health issue.

The 2008 Canton Relay for Life was held June 6 -7 at the Central Catholic stadium. Event Chair, Nan Whitsel, said there were over 1000 team members participating in 50 family, school and corporate teams. There were another 1300 attending the event including 200 survivors who participated in the opening lap. More than \$130,000 was raised with funds still coming in.

Chris Hallier, the Logistics Chairman for the 18 hour event worked closely with Canton Chair Rental in planning and setting up the event. Eight truckloads of tents, staging, tables, chairs and other equipment were delivered and set up by the Canton Chair Rental crew. "The set up went so well" Mr. Hallier said, "as it always does with Canton Chair Rental. They are great

to work with and Tim and Libby go the extra mile to make sure everything is done right. They produced CAD drawings of the stadium and created a site map that is a great help to the team captains. They provide us with a lot of expert advice, and with the detailed records they keep the event gets easier to stage every year. If I find I need something additional at the last minute – all I have to do is pick up the phone and it's delivered."

Providing this caliber of dedicated service is a hallmark of Canton Chair Rental. That is why the organizers of not only the Canton Relay for Life, but the committees of the Massillon, Louisville and Jackson Relays for Life, and countless other organizations, every year turn to Canton Chair Rental to supply the equipment and expertise needed for their special events.

Summer time is a busy time for the delivery and warehouse staff at Canton Chair Rental. During this season our crews work diligently setting up weddings, graduations and outdoor events of all varieties. Then in late July the biggest event of the year, the Pro-Football Hall of Fame Festival, begins and overtime becomes the norm for the department.

Along with all of the delivery and set ups the staff is also responsible for cleaning and maintaining our large collection of tents and thousands of tables and chairs in the Canton Chair Rental inventory.

Dean Cecconi, Operations and Logistics Coordinator for Canton Chair Rental, directs the scheduling and training for the staff. He is assisted by crew leaders Justin Miller, Dave Amidon, Lance North and John Acierno. Together they oversee a full time year round staff plus a contingent of some 20 additional seasonal summer employees. Their goal is to see that every order is delivered on time and with the same courte-

ous professional standards that are expected of every Canton Chair Rental employee.

There are a number of design motifs that can be incorporated to this new system including rosette ties, color accent sashes, and back lighting. ## Why Is Autumn So Inviting?

Even though the days are getting shorter and a chill will soon be in the air – it's no reason to cancel the party or corporate event you had planned to host before the year ends.

A tent is the ideal venue for hosting an autumn gathering. It can provide a comfortable setting for everything from a formal dinner with elegant linens and chandeliers to a corporate sales promotion or seminar with staging and sound system. And should a unexpected cold snap occur, Canton Chair Rental has efficient tent heaters to make the atmosphere inside the tent cozy and pleasant.

Don't let the change of season ruin your entertaining plans – a glorious autumn day can create the perfect backdrop for an outdoor event. Call the event professionals at Canton Chair Rental to see how easy it is to stage an event during this beautiful time of year.
