Discover the Benefits of Renting

Your wedding day is one of the most important days of your life and it should be as perfect as it can possibly be. If you think a beautiful wedding is beyond your budget, discover the advantages of renting. Renting can provide affordable elegance for any event, be it grand and formal or small and intimate.

We have elegant white wedding tents in variety of styles and sizes.

Beautiful Wedding Tents are a Canton Chair Rental Specialty

For over 30 years brides have turned to Canton Chair Rental for high quality white wedding tents. Our experienced event planners will help you determine the proper size tent for your wedding based on the number of guests attending and the location. They will factor in the amount of space required for tables, chairs, dance floors, staging and anything else you would like to have at your dream wedding. They will use sophisticated party CAD technology to map out your event and provide an overhead or 3D drawing of the space. Depending on whether the tent will be set up on grass, concrete or asphalt, our planners can recommend the most suitable style tent for your event.

You can give us a call at 330-477-7719 or visit our showroom at 4850 Southway St. SW to review sizing and pricing.
